> Subject: Assignment Of Sergeant Billy J. Maxey On Sunday, November 24, 1963

Sir:

At approximately 11:00 A.M., Sunday, Novamber 24, 1963, I arrived at Control Station. I was working "16", Acting Lieutenant), Northeast Substation. The Patrol Officers were leaving for their treffic emigraments, and there was a large group of reporters standing in the hall leading to

I did not have an assignment at the time of my arrival and when Lieutenant Pierre came down and got into his our I asked him if I could help. Lieutenant Pierre advised me to ride with him and Sergeant Putnam to escort the immored Car which had been backed pertially onto the south ramp.

Lieutenant Plarce drove the our, I was mitting in the back seat, on the left side and Sergant Priman, after sowing the corved of reporters out of our path, got into the front right side. We traveled up the north rang and made a left turn outo Main Street. Officer B. Z. Yaughn was standing on our right side. We that top of the rangs as we want out out fails fixest.

I did not see Jack Ruby or anyone else go down the ramp as we drove out. I know Jack Ruby by sight and I also did not see him in the basement while I was at that location.

We proceeded to the top of the south ramp via Main Street to Harwood Street to Commerce Street and took a position in front of the Armored Car.

Apparently the shooting of Lee Harvey Oswald had just happened because I did not hear the shot and officers were rushing to cover the exits of the Police and Courts Building and the City Hall as we pulled into position.

After the shooting, Lieutenant Pierce, Sergeant Putnam, and I went to Parkland Hospital and set up security in the building and the Emergency Entrance Parking Lot.

Respectfully submitted,

Billy J. Maxey Sergeant Of Police Patrol Division
